

Heartiest Congratulations to all JU EGG research Group Students & Faculty Mrs.Mahmuda Khatun for Sakura Science_JST 2023 award. Thanksto Prof. **Toru Terao** of Kagawa University, Japan for your initiative & establishing joint collaboration with Geological Engineering research group, JU. Thanks also to Sakura Science Authority & JST for funding 2nd time to our researchers to attend the scientific program & Conferences in Japan. Wishing a successful completion of this Program. **Congratulations** once again.

CONGRATULATIONS

04 Current Geological Engineering, Geo-hazards & Disaster Sciences Research Group Students .

香川大学
KAGAWA UNIVERSITY, JAPAN

For receiving Full Traveling & Accommodation support.

- ❖ Sakura Science Exchange Program.
- ❖ Established by Japan Science and Technology Agency (JST)
- ❖ Kagawa University, Japan.
